Don't Wait!

Decide the Future of the Moran Plant Today!

Your **YES** vote on **QUESTION #1** will determine whether the Moran Plant is revitalized and our community realizes these tremendous benefits:

- Year-round use of the waterfront by offering a variety of educational and recreational activities for a wide range of ages.
- On-going revenue for the city by creating jobs and attracting visitors.
- Rehabilitation of a sound historical building to [LEED](#) certification standards.
- Improvement of an unsightly section of the waterfront and along the bike path, safe access to the lake and surrounding amenities.

Starting TODAY, February 15th, Burlington voters can vote! Visit the City Clerk's office at City Hall to receive your ballot.

Every vote counts!

- Be sure to register to vote by **February 27th** if you haven't yet.
- Heading out of town? If you won't be around on March 4 or anticipate some difficulty getting to the polls, you can vote absentee one of two ways:
 - * **Download** an [absentee ballot request form](#) now.
 - * **Call** 865-7000 and have one mailed to you.
- Make a vote date with a friend so you can watch one another's children or take them to the [polls](#) and show them democracy in action.

Tuesday, March 4th is Town Meeting Day!

Learn more about Question # 1 by visiting the [City of Burlington's](#) website.
